(Designation) Director of Fisheries.

To The Secretary to the Government of Madras,

Development Department.

Sir,

(P)

Ref:-G.O.No.1245 Dev.,dated 20.8.1931.

(P) In G.O.No.1245 Dev.,dated 20.8.1931 the Government sanctioned the purchase of a boat at a cost not exceeding Rs.50/- for the use of the Kodi Fisheries School. It is now reported that the boat supplied to the school on 17.12.31 is leaky and the wood has rotted at the bottom. It is unfit for further use.

2. The average life of a boat made of mango-wood is about ten to fifteen years. It is presumed that the wood used for making the boat under consideration was probably not mature and this defect could not be detected when the

boat

boat was new. As it is now stated to be irrepairable I have the honour to request that it may be replaced with a new one at a cost not exceeding Rs.35/-

I have the honour to be,

Sir,

Your most obedient servant,

G. R. Nalesa Pillai

for Director of Fisheries.

Ref. No.1344-C/39-4

Station Madras, *Dated the* 18th August 19 39.

From (Name) Dewan Bahadur Dr.B.Sundara Raj,M.A.,Ph.D.,
(Designation) Director of Fisheries,

To The Secretary to the Government of Madras,
Development Department.

Sir,

Ref:--Development Memorandum No.16433-VI/39-1 dated 20.6.1939.

The information called for in the Government Memorandum quoted above is furnished below:--

1) There are about thirteen pupils of the Gundami Village attending the Kodi Fisheries school. Out of this, five are reported to be fisher-children and eight non-fisher children.

(2) The parents of non-fisher children do not own or hire boats. Only the parents of a few fisher children possess boats and, as they use them for fishing they are not available for taking the children to school.

3) The price of a boat depends upon its size and the quality of wood used for the boat. The Inspector reports that a smaller boat than the one originally contemplated costing Rs. 25. to Rs. 30/- will be sufficient to meet the present needs.
